Regulatory Considerations for Construction and Demolition Activities

Are you planning on any construction, demolition or remodeling projects? Many of these activities can involve the generation of fugitive emissions, handling of asbestos-containing materials, exposure of pollutants to stormwater and the generation of solid and hazardous wastes. In addition, ...[Continue reading](#)

Scrap Tire News Features Kentucky's Waste Tire Program Success

Scrap Tire News, "the source for information about the scrap tire and rubber recycling industry," recently featured the Kentucky Division of Waste Management's Waste Tire Program's success in tire recycling. Check out the complete March 2014 issue of *Scrap Tire* ...[Continue reading](#)

SNIPS

Not all news needs to be covered through an extended article. But it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of Compliance ...[Continue reading](#)

Drinking Water Week May 4–10

Governor Steve Beshear has proclaimed May 4-10, 2014, as Drinking Water Week in Kentucky as an observance of the value of water to each of us in our everyday lives. This year marks the 40th anniversary of the Safe Drinking ...[Continue reading](#)
